" Education for life, Excellence in Education and Commitment to a meaningful education are the prime importance."

Sh. Mukesh Jain Navkar
President

President Message

It gives me immense pleasure to extend my warm greetings to all students, parents, and well-wishers of our school community. Education is not merely the transfer of knowledge—it is the shaping of character, the nurturing of potential, and the foundation on which the future is built. At our institution, we are committed to providing an environment where every child grows with confidence, curiosity, and compassion.

As the President of the School Management, I feel proud of the steady progress our school has made over the years. With the collective efforts of our dedicated teachers, supportive parents, and enthusiastic students, we continue to set new benchmarks in academic excellence, co-curricular achievements, and value-based learning.

Our future plan is rooted in a clear vision : To integrate innovative teaching practices that prepare students for a rapidly changing world. To strengthen digital learning facilities and create technologically advanced classrooms. To expand opportunities for sports, arts, leadership, and holistic development. To build a school culture that encourages discipline, creativity, empathy, and global citizenship. To ensure that each student receives personalized guidance to discover their strengths and achieve their dreams. With heartfelt blessings, I wish every learner a journey filled with knowledge, joy, and success. May our school continue to be a place where young minds are inspired, talents are nurtured, and future leaders are created.

Sh. Sanjay Jain
Manager

Manager Message

It is a matter of great pride to present our school's Prospectus, reflecting our continuous journey of growth, improvement, and unwavering commitment to quality education. As a Manager, I have witnessed our institution evolve into a dynamic learning community where every child is given the opportunity to shine.

At our school, growth is not limited to academic achievements alone. We believe in nurturing well-rounded individuals who are confident, responsible, and prepared to meet the challenges of tomorrow. With a strong foundation built on discipline, values, and innovation, we strive to give our students an environment where learning becomes meaningful and joyful.

Our vision for the school's future growth includes: Upgrading academic facilities and integrating modern teaching practices. Enhancing digital infrastructure to support smart and interactive learning. Strengthening co-curricular and sports programs to promote holistic development. Providing regular training and professional development for teachers. Creating more platforms for student leadership, creativity, and experiential learning. We remain committed to working hand-in-hand with parents, teachers, and students to ensure that our school continues to grow in excellence and reputation. Together, we aim to build a bright future for every learner who walks through our doors. I extend my best wishes to all our students for a successful and enriching journey ahead. May our school continue to rise to greater heights with each passing year.

"It is a greater work educate a child in the true and large sense of the phrase, than to rule a state".

Message

Dear Students,

My blessings and best wishes are always with you. Education is the strongest foundation for a successful and meaningful life. Your dedication, discipline and sincere efforts today will shape your bright future tomorrow.

Always respect your parents, teachers and elders and remain committed to your studies. Face challenges with courage, learn from your mistakes and never lose confidence in yourself. Remember that honesty, hard work and good values are the true keys to success.

May you grow into responsible, knowledgeable, and confident individuals who bring pride to your family, school and society. May God bless you with wisdom, good health and success in all your endeavours.

With blessings and good wishes.

Mrs Pooja Sharma
Principal
Shri Mahavir Jain Public School, Kurukshetra

Principal Message

With deep joy and heartfelt blessings, I welcome you to our school's Prospectus—an annual reflection of who we are, what we value, and the future we are passionately building for our children. Each year brings new opportunities, new ideas, and new dreams, and I am proud to say that our school continues to grow as a space where innovation meets compassion and learning meets purpose.

At our institution, we believe that education is not only about textbooks and examinations; it is about awakening curiosity, nurturing character, and guiding every child to discover the brilliance within themselves. Our school stands committed to creating an environment where students feel inspired, valued, and empowered to take confident steps into a brighter tomorrow.

Our innovative approach focuses on : Integrating smart learning tools and experiential teaching, Fostering creativity through project-based and activity-driven lessons Encouraging leadership, teamwork, and emotional intelligence. Strengthening life skills and moral values for holistic development, Building a culture of respect, resilience, and continuous growth.

As the Principal, my vision is to ensure that every student who enters our campus feels a sense of belonging and leaves with a sense of purpose. With the blessings of the Almighty and the support of our dedicated teachers, caring parents, and hardworking students, we continue to move forward with confidence and commitment.

May this new session bring abundant learning, joy, and opportunities for every child. May our school remain a place where dreams are nurtured, talents are celebrated, and futures are shaped with wisdom and grace.

Blessings and warm Regards.

OUR VISION, MISSION AND VALUES

OUR VISION

Our vision is to develop well-rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe, and supportive learning environment in which everyone is equal and all achievements are celebrated.

THE MISSION

The vision of education of Shri Mahavir Jain Public School, Kurukshetra is in keeping with the National Policy on Education (1986) and in accordance with the New Education Policy. It lays great emphasis on developing a national system of education with education for all; eliminating disparities in the educational system, providing more facilities through qualitative intervention, empowering women, and providing education to disadvantaged sections of society. In order to accomplish this mission, the objectives laid down are as under:

- To provide a wide range of holistic education by homogenizing Western knowledge while remaining anchored to Indian cultural moorings;
- To act as a catalyst of change by spreading education and by dismantling the cobwebs of ignorance and illiteracy;
- To develop individuals who are morally upright, intellectually well-informed, socially concerned, emotionally balanced, physically well-developed, and culturally accomplished;
- To stimulate a scientific temper by crusading against superstitions and outdated customs like child marriage, caste system, female foeticide, dowry, gender bias, regionalism, etc.;
- To sensitize individuals towards social welfare;
- To nurture creative and resourceful minds who think big, think fast, and think ahead; who care for the nation and the weaker sections of society and are imbued with humanistic passions and values.

THE STAFF PROMISE

» Inspire and enthuse children to learn
» Provide high quality, stimulating learning opportunities which interest and motivate children.
» Challenge the children to achieve their full potential.
» Promote a lifelong love of learning.
» Listen to, respect and value each child as an individual.
» Provide a safe, secure and welcoming environment for all.
» Develop a home-school partnership.

» Provide their child with the appropriate equipment.
» Share the school's expectations and promote the importance of learning.

Education is the most powerful weapon which you can use to change the world."-Nelson Mandela

Dear Students,

It is a matter of immense pride and joy to welcome you to Jainendra Gurukul, an institution rooted in ancient wisdom and blossoming in modern brilliance.

Founded with the visionary inspiration of Param Pujya Acharya Pravar Shri Atma Ji Muni, Jainendra Gurukul traces its legacy back to the tireless efforts of revered Jain saints Swami Dhaniram Ji Muni and Acharya Krishna Chandra Ji Muni of the Shwetambar Sthanak Vashi Shravan Sangh. Their dream of a dedicated Jain Gurukul took shape on 8th May 1926, when Jainendra Gurukul Mahamandal was formally established under the leadership of Bhakt Naurata Ram Ji Banur.

Originally conceptualized in Kurukshetra, the Gurukul found its true home in Panchkula, thanks to the noble contribution of a widowed mother from the Gurjar community, who generously donated land and gathered, support from others. The foundation stone was laid 21st February 1929 by Seth Jwala Prasad Jain, beginning a journey that started with just 7 children and has since grown into a vibrant center of learning.

Today, The Management of Shri Jainendra Gurukul proudly oversees Three Prestigious Institutions.

- Jainendra Public School, Panchkula.
- Shri Jainendra Gurukul Senior Secondary School, Panchkula.
- Shri Mahavir Jain Public School, Kurukshetra.

OUR LEGACY AND FOUNDATION

Established in the year 1973, Shri Mahavir Jain Public School, affiliated to CBSE, is a unit of Shri Jainendra Gurukul Society (Regd.) Panchkula.

The School is ideally located on the city's main Railway Road, hardly 500mtrs. from Kurukshetra Railway Station and 1Km from the city's old bus stand, making it easily approachable from all sides. Spread over a prime six acres of land, donated mainly by Lala Chhajju Ram Ji Jain and Lala Munshi Ram Ji Jain, the School has been serving the cause of education for more than five decades and has always proved the academic and other co-curricular excellence that prevails here. Today the school boasts of having state of the art infrastructure with well-lit, airy and spacious classrooms, play, fields, a state of the art auditorium and sprawling lawns. A good part of the campus has been left open for students to play and indulge in co-curricular activities.

"The goal of education is the advancement of knowledge and dissemination of truth".
